Fighting Fires - Extinguisher use

Fire extinguishers will only be used where:

- Group leaders, staff or volunteers have received training and feel confident in their use
- Where it is deemed safe to do so i.e. there is a clear means of escape, fire is small Personal safety always takes priority and, if in any doubt, Group leaders, staff or volunteers should not attempt to extinguish a fire

Location of Key safety hazards or other fire related equipment

- Gas supply shut off: Outside next to gate
- Mains fuse box: electrical cupboard near ladies' toilets
- Mains Water inlet: under benches in far end of changing room
- Location of Fire Alarm panel: Main entrance

Number of staff needed to carry out emergency plan

- This will vary depending on who is using the centre.
- All Group leaders should ensure they are familiar with all Emergency plans and convey them to their group.
- All Group leaders to check the Centres calendar before their activities commence to check who else is using the building.

Equipment needed to affect the emergency plan

- Mobile phone
- All Group leaders should have high hi-visibility tabard
- Torch – if using the Centre at night
